

CHRISTIAN EDUCATION PROJECTS

PURPOSE: A program designed to provide funds to enable Christian service organizations to initiate specific activities that support Christian education innovation.

GOAL: To encourage innovation in Christian education across Canada.

RATIONALE:

- To encourage research in pedagogy and administration.
- To promote professional development conferences.
- To assist in publishing articles of general interest to educators and parents.
- To encourage curriculum development for Christian schools.

APPLICATION PROCESS:

- Organizations or individuals should submit application for funding
- Grants will be distributed in April and December.

BENEFITS AND CONDITIONS

- Grants are unrestricted
- Eligible institutions must endorse the specific theological emphasis in the CEAF mission.

FUNDING: The CEAF Board executes the fundraising strategies for each project.
